LDRP Institute of Technology and Research

Bachelor of Engineering in Computer Engineering — CGPA: 7.5

Gandhinagar, Gujarat

Sep 2022 – Jun 2026

CORE PRODUCT & PROJECT SKILLS

Project Planning & Execution, Requirement Gathering, Feature Prioritization, Stakeholder Management

Team Coordination, Cross-Functional Collaboration, User Engagement Strategy, Marketing Execution

Problem Solving, Risk Handling, Time Management, Data-Driven Decision Making

INTERNSHIP EXPERIENCE

Shell India & Edunet Foundation

Jun 2025 – Jul 2025

AI/ML & Data Analytics Intern (Product Exposure)

- Contributed to the execution of an AI-powered e-waste management platform with **10+ user-facing features**, supporting real-world workflows.
- Collaborated with developers and mentors to translate requirements into functional features across frontend, backend, and ML components.
- Reviewed usability feedback and engagement metrics, contributing to a **40% increase in user engagement**.

PRODUCT PROJECTS

DocuMind – AI-Powered Legal Platform

Product Workflow & Feature Execution Project

- Worked on a legal services platform enabling accurate lawyer discovery and secure client communication.
- Helped define user workflows for consultation booking, payments, and messaging, reducing scheduling delays by **35%**.
- Coordinated integration of multiple APIs and payment systems to support smooth end-user experience.

JobLink – Online Job Portal

Workflow Design & Operations Project

- Designed end-to-end workflows for a multi-user recruitment platform enabling **100+ job postings**.
- Defined user roles, access controls, and application tracking flows to ensure clarity and scalability.

LEADERSHIP & EXECUTION EXPERIENCE

- Core organizer for a **400+ participant BGMI esports tournament**, managing planning, coordination, and execution; awarded **Most Successful Event**.
- Active participant and operations volunteer in the **Sangat Cultural Event**, supporting logistics and on-ground coordination.
- Led the **Digital Committee for Xenesis Event**, handling end-to-end marketing, promotions, influencer outreach, and audience engagement.
- Independently managed a revenue-generating **event photobooth**, optimizing pricing and operations to achieve high profitability.
